Shifting Sands Arabians Pty Ltd celebrates its 1st year at Relbia Northern Tasmania !

Early 2010 a decision was made by Robbie and Pete to pack up from Melbourne and make a permanent move to Relbia and establish a superior service orientated business that offers many streams of options to visitors and locals alike...with one of the main emphasis being in the Arabian Equine world.

Share Robbie's area of expertise and passion, assisting all comers especially novices – enjoy her positive advice that is so rarely found. Robbie has assisted others in years past with Riding and Halter Training along with Show Handling and ancillary areas.

Shifting Sands Arabians in keeping with our high Standards is pleased to confirm that our brand new Round Yard has been completed. It has been built to proper full size specification, with deep sand coverage that is meticulously maintained with our mechanical raking machine to ensure safety and comfort for Horse and Rider alike.

Likewise, we have recently installed a Horse Crush that has its own weatherproof enclosure to aid with Equine Dentistry, Veterinary visits and the like.

We have our Supreme Champion Stallion (Niarla Excitation) available to cover quality Mares

We also provide a proper **foaling down** service for owners of Mares who are not properly experienced in foaling down, or may be away at time the Mare is due to foal down

Robbie has been actively involved with Breeding, Training, Riding and Showing top line Horses for the past 40 years, and brings a level of experience and advice that is simply very rarely found. Robbie has worked as a Strapper at Flemington at an early age, her first horse was a thoroughbred Mare and then in 1979 had her very first Arabian followed up with the purchase of her very first Arab Colt Philana Hazim in 1983. Robbie has bred, shown her own and others' horses.

Robbie always takes great pleasure in assisting all comers, especially novices so you do have a person of rare of experience very rarely found that is always available to pass on her positive advice. This evidenced by recently having a young Lady stay on site for a week to complete her "work experience" assignment. Further, we have also have another local young lady to work after hours and we also provide her tips & advice to assist with her further horsemanship techniques.

Robbie has so enjoyed many SPECIAL experiences over the journey, and one in particular, Robbie would wish to share with all ~ **"MY DAMIEN"**

In 1992 whilst living at Bulla in Victoria all our horses were stolen with the exception of our stallion Philana Hazim as he was in the house paddock. It was the largest search the police livestock squad have done but they never found the mob and we never stop searching for them ~ sadly, all to no avail.

As a result Robbie became insular and went low key for a while, awaiting for that that special Arabian bug that Robbie knows everyone would identify with. In 1994 Robbie was told about a chestnut Stallion not too far away so she went to have a look at him. Attempting to buy him that day as she thought he had "something special", but he was not for sale then. Some 3 months later Robbie heard from a close friend that he might be for sale, but was warned he was now in pretty bad shape.

To cut the story short Robbie purchased him and had Vets and my Farrier work on him for 5 months before he could come down to the property. His name was Dowling Damien and by the time Robbie eventually got him home he was 13 y/o a paddock stallion, set in his ways and 15.1 hh. Robbie and Damien had many a run-in. Robbie had concerns he may not fulfil the potential she had recognised when originally viewing him.

Then Robbie chatted to an old stockman and explained Damien's attitude problem, his advice was simple ~ "just let him think he is the boss" which Robbie did and slowly and patiently they became one. Damien went onto 57 shows including the Sydney national horse show, and his results were simply outstanding, coming over his career with 53 Championships and Supreme's led and ridden

Robbie lost Damien 19 Jan 2005 and after all this time she still cannot think or write about him without the tears rolling down her face, such was that special bond of love and trust they had carefully nurtured together .

Peter established his own Customs and International Logistics business back in 1991 being based in Melbourne. He opened his own business as he had a vision of what customers should be getting after so many years of practising as a Federally Licensed Customs Agent for other companies ALL PORTS INTERNATIONAL LOGISTICS P/L was born.

The standards, ethics, and culture that is so evident when dealing with ALL PORTS INTERNATIONAL LOGISTICS P/L has allowed Peter to use his business acumen to make Shifting Sands a truly professional entity to transact business with.

Peter has really become a late bloomer with regard to the Arabian horse and just takes so much pleasure in diving in head first and learning something new everyday from Robbie. The horses themselves are quite good teachers if you listen and observe each one individually.

We do not envisage ever having a large team as Robbie did in the past, but we are only interested in TOP Quality horses to form a small and unique team.

With the likes of Niarla Excitation being a super Stallion at show with impeccable conformation, our pure bred filly Lou Lou Mulahn who is starting to come into herself,

along with Dreampark Manikito our newly acquired purebred black Colt who thus far has won 2 mainland championships in his first 2 outings.

Mani will contest 2 more "A" grade mainland shows in November then return home to Relbia to have a break before we bring him out to be shown locally.

There are two more exceptional purebred brood mares, Tristram Malika Al Jamal and Damarla providing the necessary depth and strength to our careful breeding campaign. Quality Mares are just as important as Quality Stallions to gain high end results.

The picture is rounded out with our 2 pleasure horses, Sunlea Park Davina being a Palomino Derivative Arabian Mare and her best buddy, Timbertown Hot N Spicy (Joe) our massive but gentle-as-a-mouse Paint.

Whilst our Colt is currently being campaigned on the mainland, we have also a clear commitment to support the local show scene in Northern and North Western Tasmania. Evidenced by already having exhibited Niarla Excitation and also Lou Lou Mulahn.

We shall continue to support the local events and hopefully encourage others to bring their beautiful horse out for all to enjoy. It's so not about winning but simply improving the standards and sharing quality horses with local like minded Arab people.

Lou Lou and Mani will both be definitely attending the two shows in January here in Northern Tasmania. Whilst Troubles will be travelling to Melbourne in December in preparation for the East Coast and National championships, both being held in Sydney Feb & Mar 2012. Troubles shall then return to Relbia for a well earned rest with his herd.

Peter has recently provided a two tier type of sponsorship to Tas ARAB's, and has also actively encouraged quite a few of the contacts he has made to likewise provide sponsorship. Both Pete & Robbie admire all the work Sherry puts in along with her dedicated small team of helpers. We both know that sometimes such efforts can be a thankless task, but is done purely for the love of the Arabians ~ it's been a real pleasure to have met and spent time with you Sherry.

Other areas of service we have developed here locally include Boutique Accommodation, Wedding Services, Luxury Wedding Cars and more.....

We invite interested persons to further browse www.shiftingsandsarabians.com.au for more details & pictures.
